

FARMER CONSTRUCTION

Building Community

About Us

Established in 1951, Farmer Construction is a privately-owned family business which has collaborated extensively in the development of Vancouver Island communities and skyline. Having worked successfully in all disciplines of construction including General Contracting, Construction Management, Design Build and Tenant Improvements we take great pride in having built a solid reputation for managing and constructing quality projects on time and on budget. This pride also extends to our team of professionals who deliver exceptional experience and service to our clients.

Why Work With Us

At Farmer, we invest in our people. As a Farmer team member, you will enjoy building community both in the office and on the site. We provide opportunity for people with creativity and commitment to be a part of an entrepreneurial company with deep roots in beautiful Victoria, BC on Vancouver Island. In addition to working in a beautiful community we are also an integral part of it and actively support a variety of community organizations and charities.

CRANE OPERATOR Victoria, BC

Who We Are Looking For

Farmer Construction is currently seeking experienced Tower Crane Operators for consideration in the Greater Victoria area. The successful candidate must have five (5) years of tower crane experience with either low-rise or high-rise tower cranes or both.

Duties

- ✓ Comply with all safety policies and procedures
- ✓ Must be able to complete a proper and in-depth inspection of the crane daily and monitor the crane performance on an ongoing basis to prevent malfunctions and damage
- ✓ Must fill out logbook daily
- ✓ Make sure all rigging practices are followed
- ✓ Maintain the crane to manufacturer standards
- ✓ Clean, lubricate and maintain crane
- ✓ Ability to work independently as well as with a team.
- ✓ Excellent communication skills with workers on the ground using both radio and hand signals

- ✓ Ability to problem solve and handle a high stress situation with professionalism
- ✓ Dependable
- ✓ Ability to represent the company and keep a positive attitude

Qualification Requirements

- ✓ 5+ years tower crane experience with either low-rise or high-rise tower cranes or both
- ✓ Tower Crane Certification, mandatory

Technical Requirements

- ✓ Operating cranes to lift, move, position or place equipment and building materials
- ✓ Performing pre-operational inspections
- ✓ Calculating crane capacities and weight to prepare for rigging and hoisting
- ✓ Perform all work to the highest standard of quality and safety.

If this opportunity sounds like a good fit for you, please submit a cover letter, resume or application form which can be found on our website www.farmer-ltd.com/employment including certifications and listing of previous projects.

We thank all applicants, however only those selected for further consideration will be contacted.
