

# FARMER CONSTRUCTION

Building Community

## About Us

*Established in 1951, Farmer Construction is a privately-owned family business which has collaborated extensively in the development of Vancouver Island communities and skyline. Having worked successfully in all disciplines of construction including General Contracting, Construction Management, Design Build and Tenant Improvements we take great pride in having built a solid reputation for managing and constructing quality projects on time and on budget. This pride also extends to our team of professionals who deliver exceptional experience and service to our clients.*

## Why Work With Us

At Farmer, we invest in our people. As a Farmer team member, you will enjoy building community both in the office and on the site. We provide opportunity for people with creativity and commitment to be a part of an entrepreneurial company with deep roots in beautiful Victoria, BC on Vancouver Island. In addition to working in a beautiful community we are also an integral part of it and actively support a variety of community organizations and charities.

## CONSTRUCTION SAFETY OFFICER – Site Specific Victoria, BC
